EDUCATION AND TRAINING

03/09/2018–Present

Delft University of Technology, Delft (Netherlands)

During the first academic year I have deeply covered the following subjects:

- Object Oriented Programming, Algorithms and Data Structures, Web & Database Technology (including modern libraries), OOP project, Information and Data Management (primary focus on relational/non-relational database optimization), Software Quality and Testing (using Mockito, Spotbugs, PMD).

- Reasoning and Logic, Calculus, Linear Algebra, Probability Theory and Statistics.

- Computer Organization, Computer Networks.

- I feel comfortable using JavaScript for web programming. I have developed, together with a partner, a JavaScript game from scratch (Ludo) for a university project. I have worked with Vue.js for both back-end and front-end design.

15/09/2013–15/06/2017

INSTITUTO BILINGÜE DE BANCHILLERATO "MIGUEL DE CERVANTES", Sofia (Bulgaria)

During my high-school period I have gained depth knowledge on the following subjects

- Spanish, Portuguese

- Mathematics, Physics, Chemistry

- Geography, History

- Sports

27/07/2015–Present

Although I studied in a Spanish school, I had strong interest in the area of Mathematics. I have gone to numerous Olympiads and competitions (both national and international) . I have gone to the preparation for the International Mathematical Olympiad (IMO 2016) with the national committee and national team, I have gone to the Iranian Geometry Olympiad (third advanced level), second round of the National Mathematical Olympiad, National Mathematics Competition between language schools, among others. I have kept this interest in Mathematics and try do combine it with programming.

Communication skills

I consider myself as a communicative person, I enjoy working with people, job becomes more lively and easy. In my university, I like to work on projects together with other students and put effort into solving problems with my teammates.

Organisational / managerial skills

- I have good organization when it comes to working in a team. I try to do my job as good as I can, also combined with following what the rest of the team does, so I can focus on specific tasks that are perhaps not well done.
